Workshop: Assessing Student Learning of Socio-Environmental Systems

Time of Event:
Wednesday, June 10, 2015 - 09:00 to Friday, June 12, 2015 - 17:00

Assessing Student Learning of Socio-Environmental Systems Workshop

This is a closed workshop for a group of selected participants.

This workshop (co-organized by the National Socio-Environmental Synthesis Center and the American Museum of Natural History’s Center for Biodiversity & Conservation) brings together a diverse group of educational researchers, scientists, and educators to synthesize and evaluate assessment tools and approaches that can be used for teaching and learning about socio-environmental systems, particularly through case studies.
