

## Team Meeting: Role of Green Infrastructure

### Time of Event:

Wednesday, September 9, 2015 - 09:00 to Friday, September 11, 2015 - 17:00

### "Advancing Research on the Perception, Role, & Function of Urban Green Infrastructure by Bridging the SESYNC Synthesis Process with an Open Community Engagement Process for Software Development" Venture meeting

This is a closed meeting for a funded synthesis group of visiting scholars.

The purpose of this project is to test the hypothesis that the SESYNC process for team-synthesis research can be accelerated by new cyberinfrastructure specific to the research question, particularly when the domain scientists participate in the development process of the cyber tools.
