Team Meeting: Fisheries & Food Security

Time of Event:
Wednesday, March 9, 2016 - 09:00 to Friday, March 11, 2016 - 17:00

This is a closed meeting for a funded synthesis group of visiting scholars.

This project aims to develop an analytic framework and architecture that will allow decision makers to calculate the health implications of different marine management strategies at a variety of scales from local to global.
