Team Meeting: Tropical Coastal Resilience

Time of Event:
Monday, May 2, 2016 - 09:00 to Friday, May 6, 2016 - 14:00

"Tropical Coastal Resilience: Developing an integrated framework to model resilience of the coupled human/natural environment in tropical coastal systems" Venture meeting

This is a closed meeting for a funded synthesis group of visiting scholars.

This Venture will use a Drivers-Pressures-State-Impact-Response (DPSIR) model of coastal resilience to illustrate the principal dynamics that govern coastal systems with an international team of researchers, local managers, and key stakeholders.
