

Workshop: Seed Dispersal

Time of Event:

Monday, May 9, 2016 - 09:00 to Friday, May 13, 2016 - 17:00

"Seed Dispersal" workshop

This is a closed meeting for a funded synthesis group of visiting scholars.

This workshop will identify current gaps in our understanding of the role of seed dispersal in plant populations and determine how to address these outstanding gaps in order to move towards a predictive understanding of plant populations under global change
