Short Course: Teaching Socio-Environmental Synthesis with Case Studies: July 2016

Time of Event:
Monday, July 18, 2016 - 09:00 to Friday, July 22, 2016 - 17:00

"Teaching Socio-Environmental Synthesis with Case Studies: July 2016" short course

This is a closed meeting for a funded synthesis group of visiting scholars.

The Teaching Socio-Environmental Synthesis with Case Studies program aims to deepen our collective understanding of the teaching and learning of relevant concepts and competencies, define and adapt the case study approach for use in the S-E context, and create a collection of high quality teaching case studies
