

Team Meeting: Decision-Support Tools for Pest Control

Time of Event:

Monday, November 7, 2016 - 09:00 to Wednesday, November 9, 2016 - 17:00

"Decision Support Tools for Pest Control" Venture meeting

This is a closed meeting for a funded synthesis group of visiting scholars.

This project seeks to develop the scientific foundation for incorporating pest control into resource decisions through building a compelling evidence base, packaging science into practical tools for decision-makers, and demonstrating their efficacy using field data.
