Immersion Distinguished Scholar Workshop: Political Ecology

Time of Event:
Thursday, November 17, 2016 - 09:00 to Friday, November 18, 2016 - 17:00

This workshop focused on political ecology. Over the course of two days, Dr. Jesse Ribot, will present a lecture providing the background to the field political ecology. He will also lead discussions about the methods and standards in the field, and about occupations of political ecologists. Dr. Ribot will also give a SESYNC seminar on Friday, November 18, "Climate and Social Vulnerability: Analytics of Cause and Responsibility." This seminar will also be live streamed and recorded. For more information, please click the link below.

Friday, November 18
