## Workshop: Observing Rural Development from Space

### Time of Event:

Monday, January 23, 2017 - 09:00 to Wednesday, January 25, 2017 - 17:00

### "Observing Rural Development from Space" Workshop

This is a closed meeting for a funded synthesis group of visiting scholars.

This workshop will develop a research methodology to assess the potential to monitor smallholder farmer well-being through relationships between household survey measures of well-being metrics (e.g. consumption) with remote-sensing derived crop yield estimates.
