Pursuit: Computational Environmental Justice Analysis

Time of Event:
Monday, February 27, 2017 - 09:00 to Tuesday, February 28, 2017 - 17:00

"Computational Environmental Justice Analysis"

This is a closed meeting for a funded group of visiting scholars.

This group will work closely with the SESYNC data science experts to build a cyberinfrastructure system that will both allow researchers to answer socio-temporal research questions and produce exploratory visualization.
