

Workshop: Sea-level Rise on the North American Coastal Plain

Time of Event:

Wednesday, April 5, 2017 - 09:00 to Friday, April 7, 2017 - 17:00

"Sea-level Rise on the North American Coastal Plain"

This is a closed meeting for a funded group of visiting scholars.

This project aims to develop a unified conceptual model of the effects of sea-level rise and saltwater intrusion in agricultural land with an emphasis on changes in nutrient availability, water quality and wetland habitats.
