

Pursuit: Living with Resistance

Time of Event:

Monday, April 24, 2017 - 09:00 to Thursday, April 27, 2017 - 17:00

"Living with Resistance"

This is a closed meeting for a funded group of visiting scholars.

This Pursuit will address the socio-ecological dilemmas that constrain society's response to resistance evolution, whether in pathogens that affect personal, public, and animal health, biocide resistance in food production, harvest selection in wild populations, or invasive species challenges to environmental management.
