Pursuit: Data-Driven Drought Effect

Time of Event:

Wednesday, April 19, 2017 - 09:00 to Friday, April 21, 2017 - 17:00

"Data-Driven Drought Effect"

This is a closed meeting for a funded group of visiting scholars.

This project will estimate the impact of drought on ecological health and economic production using novel, high-resolution datasets of drought distribution, duration and intensity.
