

## Pursuit: Urban Green Infrastructure

### **Time of Event:**

Monday, September 18, 2017 - 09:00 to Wednesday, September 20, 2017 - 17:00

### **"Urban Green Infrastructure"**

This is a closed meeting for a funded group of visiting scholars.

This project uses New York City as a case study to examine cumulative socio-ecological impacts of stormwater green infrastructure - an urban area experiencing the multiple pressures of rapid growth, climate change, and aging stormwater infrastructure.
