

Boundary Spanning Symposium

Time of Event:

Monday, June 11, 2018 - 09:00 to Wednesday, June 13, 2018 - 17:00

Boundary Spanning Symposium

This is a closed conference for a funded group of scholars.

The symposium will explore the current state of socio-environmental systems research, recent advances in the field, and the unique challenges and opportunities engendered by the questions and approaches of socio-environmental systems research. In addition, the symposium will catalyze and inspire new collaborative and interdisciplinary communities of research and practice.
