

Team Meeting: Sociological Perspectives on Non-State Actors in Environmental Governance

Time of Event:

Thursday, October 24, 2013 - 09:00 to Friday, October 25, 2013 - 17:00

The National Socio-Environmental Synthesis Center (SESYNC)

1 Park Place, Suite 300

Annapolis, MD 21401

"Sociological Perspectives on Non-State Actors in Environmental Governance" synthesis team meeting

This is a closed meeting for a funded synthesis group of visiting scholars.

In recent years, extensive research has emerged on the role of non-state actors within environmental decision-making, stewardship, and governance. This research has focused on a variety of environmental issues/policy domains and at multiple scales of governance, from the local to the transnational.
