

Theme Lead Meeting: Graduate Student Pursuits

Time of Event:

Monday, December 15, 2014 - 09:00 to Wednesday, December 17, 2014 - 17:00

Theme Lead Meeting: Graduate Student Pursuits

This is a closed meeting for a funded synthesis group of visiting scholars.

The National Socio-Environmental Synthesis Center (SESYNC) recently sought proposals for independent synthesis research by graduate student teams focused on two broad [Themes](#): [1]

1. [Cities in Sustainable Resource Management](#) [2]
2. [Surprise in Human Adaptation to Environmental Change](#) [3]

The goal of this program is to engage graduate students and to offer experiential opportunities in [team science](#), [4] [socio-environmental](#) [5] [synthesis research](#), [6] and [transdisciplinary collaboration](#). [7]

This meeting will be the inaugural meeting for the PIs of each Pursuit.
