Team Meeting: Drought Adaptations in Kenya

Time of Event:
Wednesday, December 3, 2014 - 09:00 to Friday, December 5, 2014 - 17:00

"Drought Adaptations in Kenya" Pursuit meeting

This is a closed meeting for a funded synthesis group of visiting scholars.

The objective of this project is to develop a system model that can be used to provide policy makers with reliable information and analyses so that they can make well-informed decisions on resilient water-related infrastructures in developing regions.
