

Team Meeting: Forest Restoration in Brazil

Time of Event:

Monday, March 2, 2015 - 09:00 to Wednesday, March 4, 2015 - 17:00

"Forest Restoration in Brazil" Venture meeting

This is a closed meeting for a funded synthesis group of visiting scholars.

This project will synthesize, analyze, and evaluate data collected on an unprecedented forest restoration initiative in Brazil to determine the state of science regarding restoration of tropical forests and identify critical knowledge gaps that need to be filled in future research.
