

## Curriculum Vitae

### Elizabeth Frances Daut

---

National Socio-Environmental Synthesis Center • 1 Park Place • Suite 300 • Annapolis, MD 21401  
edaut@sesync.org • 410-919-4823 (office) • 201-892-7207 (cell)

**RESEARCH INTERESTS:** Social and ecological drivers and consequences of wildlife use; sustainable development and livelihoods; local to global biodiversity conservation and management policy particularly in developing countries; interdisciplinary one-health and conservation medicine

---

#### EDUCATION

- 2010-2015 **Ph.D.** Veterinary Pathobiology, Texas A&M University  
Certificate NSF-IGERT Applied Biodiversity Science Program, Texas A&M University  
Dissertation: *Conservation implications of illegal bird trade and disease risk in Peru*
- 1992-1996 **D.V.M.** Cornell University
- 1987-1991 **B.S. Biology**, Virginia Tech (Cum Laude)

---

#### ACADEMIC APPOINTMENTS

- 2015-2017 **Postdoctoral Fellow**, NSF National Socio-Environmental Synthesis Center (SESYNC) University of Maryland (Advisor: Karen Lips)  
*Research focus:* Conservation and disease threats associated with legal and illegal exotic and wild animal import trade  
\*Fellowship includes interdisciplinary synthesis-research training in socio-environmental systems
- 2008-2010 **Wildlife Medicine & Conservation Fellow**, Wildlife Center of Virginia (Teaching Hospital)

---

#### PEER-REVIEWED PUBLICATIONS

- 2017 Daut, E.F., Marchand, P. & Lips, K. (in-prep). Infectious pathogen risk stemming from U.S. exotic animal imports and exporting countries. Target journal: *Frontiers in Ecology and the Environment*
- 2016 Wallen, K.E. & Daut, E.F. (in-review) Exploring social influence and social marketing to reduce consumer demand for illegal wildlife. *Asian Journal of Conservation Biology*
- 2016 Daut, E.F., Peterson, M.J., Lahodny, G. & Ivanek-Miojevic, R. Interacting effects of Newcastle disease transmission and illegal trade on a wild population of white-winged parakeets in Peru: a modeling approach. *PLOS One*. 10.1371/journal.pone.0147517
- 2015 Daut, E.F., Brightsmith, D.J., Mendoza, P.A., Puhakka, L. & Peterson, M.J. Illegal domestic bird trade and the role of export quotas in Peru. *Journal for Nature Conservation*, 27:44-53

- 2015 Daut, E.F., Brightsmith, D.J. & Peterson, M.J. Role of non-governmental organizations in combating illegal wildlife-pet trade in Peru. *Journal for Nature Conservation*, 24:72-82
- 2012 Daut, E.F. The importance of epidemiology and  $R_0$  in wildlife rehabilitation. *NWRA's Wildlife Rehabilitation Bulletin*, 30(2)1-4
- 1993 Daut, E.F. & Andrews, R.M. The effect of pregnancy on thermoregulatory behavior of the viviparous lizard *Chalcides ocellatus*. *Journal of Herpetology*, 27(1)6-13

---

## NON-PEER REVIEWED PUBLICATIONS & REPORTS

---

- 2013 Daut, E.F., Dennis, K., Gómez-Ruiz, E.P., Hurst, Z., Roach, K.A., Santos, A.N., Toledo, D., Treglia, M.L., van Riper, C.J. & Wood, M.A. Reaching toward outward accountability of environmental non-governmental organizations. *Applied Biodiversity Science Perspective Series*, 3(2)1-15
- 2009 Daut, E.F. Rehabilitation and medicine of insectivorous bats. *NWRA's Wildlife Medicine Course Guide*
- 2005 Daut, E.F., Ozdonmez, L., Peach, J. & Alvarez, B. La jaula del oro - el tráfico ilegal de animales silvestres en Ecuador. Documentary. Loja, Ecuador
- 2004 Daut, E.F. & Thomas, S. Evaluación sobre el uso de vacunas en animales domésticos en las Islas Galápagos. WildAid, Puerto Ayora, Ecuador
- 2003 Daut, E.F. Guía para enseñar sobre aves y educación no-formal. Fundación de Protección Animal, Loja, Ecuador

---

## RESEARCH EXPERIENCE

---

- 2010-2015 **Graduate Student**, Veterinary Pathobiology and Applied Biodiversity Science  
Texas A&M University  
*Chair:* Donald J. Brightsmith (Schubot Exotic Bird Health Center)  
*Co-chair:* Markus J. Peterson (Wildlife and Fisheries Sciences)
  - Field research in Peru (14 months)
  - Qualitative and quantitative research training
- 5/94-8/94 **Research Associate**, National Museums of Kenya  
*Advisor:* Julie Langenberg (International Crane Foundation)
  - Epidemiological survey for viral diseases and parasitological survey in free-ranging grey crowned cranes in Kenya and four species of captive cranes in South Africa
- 5/93-8/93 **Field Research Assistant**, Cornell University  
*Advisors:* David Winkler (Ecology & Systematics), Dwight Bowman (Parasitology)
  - Monitored physiological and reproductive behavior of breeding tree swallows
  - Conducted survey and historical review of tree swallow parasites
- 1989-1991 **Research Assistant**, Virginia Tech  
*Advisor:* Robin Andrews (Biology)
  - Research assistant and biology honors thesis investigating lizard reproductive thermal behavior

---

## PROFESSIONAL EXPERIENCE

---

- 1/14-8/14 **Program Coordinator**, NSF-IGERT Applied Biodiversity Science, Texas A&M University, College Station, TX
- 2006-2008 **Associate Veterinarian**, Green Mountain Veterinary Hospital, Manchester, VT  
2007-2008 **Wildlife Veterinarian** (biweekly volunteer), Vermont Institute of Natural Science, Quechee, VT
- 2001-2006 **President**, *Fundación de Protección Animal*, Loja, Ecuador
- Organized public education campaigns such as an Animals and Kids Club, a public environmental library and extensive media outreach
  - Produced and co-hosted a live weekly television program called *Visión Animal*
  - Wildlife inspector for Ecuadorian environmental ministry; established triage center for confiscated wildlife; developed integrated strategy to combat illegal wildlife trade
  - Consultant for a local zoological park
- 1997-2001 **Peace Corps Volunteer**, Loja, Ecuador
- Co-founded the first animal-welfare organization (*Fundación de Protección Animal*) in southern Ecuador
  - Established low-cost small animal clinic
  - Developed animal-welfare and conservation legislation
- 1996-1997 **Associate Veterinarian**, Avian Medical Center, Lake Oswego, OR
- 1992-1995 **Wildlife Clinic Supervisor**, Cornell University, Ithaca, NY
- 5/92-8/92 **Whooping Crane Caretaker**, Patuxent Wildlife Research Center, Laurel, MD

---

## TEACHING & MENTORING EXPERIENCE

---

- 6/16-8/16 **Mentor**, SESYNC Internship Program for Undergraduates, Annapolis, MD
- Supervised an undergraduate environmental-policy student on a project evaluating global illegal wildlife trade and national-level mitigation policies
- 1/16-5/16 **Co-Mentor**, Problem Solving Course, Sustainable Development and Conservation Biology master's program, University of Maryland, College Park, MD
- Advised students on a project evaluating animal imports for the pet industry
- 9/14-12/14 **Teaching Assistant**, One Health View of Antimicrobial Resistance, Texas A&M University, College Station, TX
- Organized reading materials and helped lead weekly discussions
- Jan. 2013 **Lecturer**, *Manejo y Conservación de Fauna Silvestre*, Puerto Maldonado, Peru
- Lectures: wildlife rehabilitation, wildlife trade, and basic avian biology
  - Wetlabs: avian restraint and physical exam
- 5/12-11/12 **Mentor**, NSF-REU Undergraduate Research in the Mathematical Sciences and Their Applications Program, Texas A&M University, College Station, TX
- Mentored an undergraduate student on a project evaluating disease risk and animal trade
- Oct. 2012 **Course Leader**, *Técnicas Básicas en Medicina Aviar*, Lima, Peru
- Lectures: avian restraint, physical exam, and triage & stabilization
  - Wetlabs: basic bandaging and common clinical techniques

- 2008-2010 **Fellow**, Wildlife Center of Virginia, Waynesboro, VA
- Clinical supervisor for ~35 rotating 3<sup>rd</sup> and 4<sup>th</sup> year veterinary externs yearly
  - Weekly lectures concerning diverse wildlife medicine and conservation topics
  - Guest lecturer: Wildlife Medicine elective, Virginia Tech
  - Course leader: NWRA Wildlife Medicine Course, Michigan State University
- 1998-2006 **President**, *Fundación de Protección Animal*, Loja, Ecuador
- Wildlife trade and conservation courses for university students and law enforcement
  - Surgical sterilization training workshops for veterinarians and vet students in Loja and on the Galapagos Islands
  - Basic avian biology and conservation courses for elementary-school science teachers and students
- 1997-1999 **Assistant Professor** (Peace Corps Volunteer), Universidad Nacional de Loja, Facultad de Ciencias Veterinarias, Loja, Ecuador
- Courses for 3<sup>rd</sup> and 4<sup>th</sup> year veterinary students: parasitology, clinical pathology, small-animal sterilization, pet avian medicine

---

## CONFERENCE PRESENTATIONS

---

- 2016 Daut, E.F., Marchand, P. & Lips, K. Infectious pathogen risk stemming from U.S. exotic animal imports and exporting countries. 65th Annual International Conference of the Wildlife Disease Association, Ithaca, NY. (oral presentation)
- 2016 Daut, E.F., Brightsmith, D.J., Mendoza, P.A, Puhakka, L. & Peterson, M.J. Illegal domestic bird trade and the role of export quotas in Peru. North America Congress for Conservation Biology, Madison, WI. (oral presentation)
- 2014 Daut, E.F., Brightsmith, D.J. & Peterson, M.J. *Role of non-governmental organizations in combating illegal wildlife-pet trade in Peru*. North America Congress for Conservation Biology, Missoula, MT. (oral presentation)
- 2014 Daut, E.F., Brightsmith, D.J., Mendoza, P.A, Puhakka, L. & Peterson, M.J. *Legal and illegal trade: the case of export quotas and pet birds in Peru*. 15<sup>th</sup> Ecological Integration Symposium, Texas A&M University, College Station, TX. (2<sup>nd</sup> place student competition; oral presentation)
- 2013 Daut, E.F., Brightsmith, D.J. & Peterson, M.J. *The role of environmental and animal-welfare non-governmental organizations in combating illegal wildlife trade in Peru*. 50<sup>th</sup> Anniversary Meeting – Association for Tropical Biology and Conservation and Organization for Tropical Studies, San Jose, Costa Rica. (oral presentation)
- 2012 Daut, E.F. *Who's buying the world's most endangered wildlife?* 13<sup>th</sup> Ecological Integration Symposium, Texas A&M University, College Station, TX. (oral presentation)
- 2009 Daut, E.F. *Vet wars – to release or not to release*. Call of the Wild Conference, Wildlife Center of Virginia, Waynesboro, VA. (oral presentation)
- 2008 Daut, E.F. *Emerging infectious diseases in Virginia's wildlife*. Annual Conference of the Virginia Federation of Humane Societies, Richmond, VA. (oral presentation)
- 2008 Daut, E.F. *Wildlife bandaging techniques*. Call of the Wild Conference, Wildlife Center of Virginia, Waynesboro, VA. (oral presentation)

- 2004 Daut, E.F. *Problemas que afectan la fauna silvestre del Ecuador*. Wildlife and Legislation Seminar, Loja, Ecuador. (Seminar Organizer; oral presentation)
- 1999 Daut, E.F. *La rehabilitación de vida silvestre en Ecuador y la utilización de los voluntarios del Cuerpo de Paz*. Neotropical Wildlife Rehabilitation Symposia, Humane Society International, San Jose, Costa Rica. (oral presentation)

---

#### OTHER INVITED PRESENTATIONS

---

- 2016 *Dynamics and consequences of ornamental fish trade*. Aquatic Nuisance Species Task Force Meeting, U.S. Fish and Wildlife Service, Falls Church, VA
- 2016 *Wild and exotic animal trade and infectious diseases*. DC Science Café, DC Science Writers Association, Washington, DC
- 2016 *Illegal bird trade in Peru*. Annapolis Café Scientifique, Annapolis, MD
- 2016 *Mixed-methods approach to wildlife trade research*. Socio-Environmental Synthesis and Sustainability Research course, University of Maryland
- 2015 *Wildlife trade and infectious diseases*. Biodiversity, Global Environmental Change and Effects on Human Health course, University of Maryland
- 2014 *Wildlife trade and conservation medicine*. Applied Conservation Medicine course, Texas A&M University
- 2013 *Bird trade in Peru*. Society for Conservation Biology, Texas A&M University Student Chapter
- 2012 *On-line applied biodiversity HUB workshop*. Applied Biodiversity Science, Texas A&M University
- 2012 *On-line applied biodiversity HUB*. Bare Bones Biology – public radio program, College Station, TX
- 2011 *Pet parrots in Peru*. Rio Brazos Audubon Society, Bryan, TX
- 2011 *Triaje de fauna silvestre y estabilización de emergencia*. Universidad de San Marcos, Lima, Peru
- 2010 *Wildlife trade*. Applied Conservation Medicine course, Texas A&M University
- 2010 *Wildlife trade and infectious diseases*. The Student Chapter of the Wildlife Disease Association, Texas A&M University
- 2010 *Rationalizing euthanasia in difficult trauma cases*. Wildlife Rehabilitation Training Class, Lynchburg Parks & Recreation
- 2009 *Fluid therapy for wildlife*. Wildlife Rehabilitation Training Class, Wildlife Rescue League

---

#### GRANTS (support for NGO work in Ecuador)

---

- 2004 U.S. Fish and Wildlife Service, Division of Bird Habitat Conservation \$5,060
- 2003 Marchig Animal Welfare Trust \$5,380
- 2002 ASPCA \$5,000
- 2000 William & Charlotte Parks Foundation \$10,000
- 2000 RSPCA \$1,044
- 1999 Peace Corps Partnership Program \$11,300
- 1999 Heifer Project International \$5,018

---

## AWARDS & HONORS

---

2016	Postdoctoral Fellowship, Atkinson Center for a Sustainable Future, Cornell University; fellowship was offered but not accepted
2016	Postdoctoral Fellowship Finalist, Smith Fellowship in Conservation Research; withdrew from further consideration
2015-2017	Postdoctoral Fellowship, NSF National Socio-Environmental Synthesis Center Synthesis Center (SESYNC), University of Maryland (\$153,800)
2015	Presidential Management Fellows (PMF-STEM) Finalist, Office of Personnel Management, U.S. government
2014	Office of Graduate Studies Presentation Award, Texas A&M University (\$350)
2014	Philanthropic Educational Organization Scholar Award (\$15,000)
2013-2014	Graduate Fellowship, Schubot Exotic Bird Health Center, Veterinary Pathobiology, Texas A&M University (\$60,000)
2012	Self-Directed Study Scholarship, International Programs Advisory Committee, College of Veterinary Medicine, Texas A&M University (\$1,200)
2010	Lechner Scholar Award, College of Veterinary Medicine, Texas A&M University (\$8,000)
2010-2012	NSF-IGERT Fellowship, Applied Biodiversity Science, Texas A&M University (\$60,000)
1996	Wild Bird Research and Rehabilitation Award, Cornell University
1994	International Summer Research Award, Cornell University (\$1,500)
1991	Biology Undergraduate Research Award, Virginia Tech

---

## PROFESSIONAL AFFILIATIONS & ACTIVITIES

---

Memberships:	Wildlife Disease Association, Society for Conservation Biology, Association of Avian Veterinarians
Collaborative Research:	NSF Research Coordination Network. Macroecology of Infectious Disease; PIs: Patrick Stephens, Alonso Aguirre, Sonia Altizer, Robert Poulin (2016-2017)
Journal Reviews:	Conservation Biology, Biological Conservation, Plos One, Biodiversity and Conservation, Journal for Nature Conservation
Training Courses:	<u>Amazon field school</u> , NSF-IGERT Applied Biodiversity Science Program, Tambopata, Peru (May 2011); <u>grant writing</u> , College Station, TX (July 2012); <u>media training</u> , College Station, TX (April 2014); <u>teaching assistant certificate</u> , Center for Teaching Excellence, College Station, TX (2014-2015)

---

## ACADEMIC & COMMUNITY SERVICE

---

2016 & 2017	Review panel for postdoctoral fellowship applicants, SESYNC, Annapolis, MD
2014-2015	Mammal Team, BioBlitz Rapid Ecological Survey, College Station, TX

2011-2013 Vision Committee, NSF-IGERT Applied Biodiversity Science Program, Texas A&M University, College Station, TX

---

**OTHER QUALIFICATIONS & INTERESTS**

---

- Spanish (advanced spoken, written, and reading)
- Certified Kripalu yoga teacher
- Enjoy swimming, biking, hiking, and gardening
